BIG DAMAGES ARE ASKED BY A. CROSO FROM JOSEPH AILLO

$20,000 IN GOLDEN BALM IS SOUGHT TO SOOTHE BRUISERS RECEIVED IN A STEAM ROLLER ROW IN PITTSBURG DURING AUGUST.

That it will take $20,388 to fully requit Agostino Crosa for the pangs, damages and expenses of hospital and surgeon he suffered and sustained from a beating given him by Joseph Aillo at Pittsburg, on August 19 of the present year, is set forth by the injured one in his complaint for damages in that amount in an action entered with the county clerk against his assailant.

The complaint asserts that in the assault made upon the plaintiff by the defendant he had one rib broken and another torn from the strenum. He was otherwise badly battered and bruised as to require his being conveyed to a hospital. His bills, including hospital service and surgical attention as well as loss of wages aggregate $288. He also suffered $10,000 in pain and pang and $10,000 more is wanted as damages.

Just what the cause of the trouble was is not set forth in the complaint.

ATTORNEY WILL MOVE TO COUNTY SEAT RESIDENCE

T. D. Johnston, Well Known Barrister, Will Move to Martinez First of Year.

From rumors which have come to this city from Martinez it is evident that Attorney T. D. Johnston who has long been a prominent figure in Richmond public life intends to move to Martinez the first of the year where he will make his home.

Attorney Johnston being away from town today, Mrs. Johnston stated that although no definite arrangements had as yet been made, it was probable that should they be able to locate a residence that they would move to the county seat so that her husband might be closer to his office.

TEAM RUNS AWAY; FAMILY HAVE A MIRACULOUS ESCAPE

Ignacio Dutra and Family Have a Narrow Escape From Death When Horses Become Ungovernable and Rig Upsets.

As the result of a runaway on the road from here to Pinole, Ignacio Dutra and his family narrowly escaped death. The team of colts which Dutra was driving became unmanageable and taking the bits in their mouths, bolted up a steep hill, overturning the wagon and throwing the driver and his family into the ditch by the side of the road, where all escaped whot would seem certain death. Mrs. Dutra sustained a severe wrench of her ankle and possibly internal injuries. The escape of her four-year-old child which was seated on its father's knee at the time of the accident. When the wagon was overturned the father clung to the infant and it escaped without receiving even a scratch.

The accident was witnessed by W. G. Mayer of the Richmond Cleaning and Dyeing works who happened to be traveling along the road in his automobile. He reported that Dutra was badly dazed by his fall. The family was conveyed to their home some nine miles from the scene of the accident and medical assistance was summoned to attend Mrs. Dutra who seemed to have suffered worst from the fall.

SMALL BOY FRUSTRATES SUICIDE'S PLANS WHILE AT PLAY IN VACANT LOT

JOE EDELSON OF SAN FRANCISCO SWALLOWS CONTENTS OF 4-OUNCE BOTTLE OF CARBOLIC ACID—WILL RECOVER FROM BURNS.

Joe Edelson, the glazier of 443 Fillmore street, San Francisco, who in a fit of despondency yesterday afternoon attempted to end his life by swallowing the contents of a bottle of carbolic acid had sufficiently recovered at the Craven hospital this afternoon to be removed to the county hospital at Martinez in care of Officer Standiford.

Edelson is believed by the local authorities to be mentally unbalanced.

Despondency over his inability to secure employment as a glazier caused Joe Edelson, residing at 443 Fillmore street, San Francisco, to empty the contents of a four-ounce bottle containing carbolic acid into his mouth at a late hour yesterday afternoon in a vacant lot near the home of Mrs. E. Jones, 537 Sixth street.

As the man was writhing in the throes of death little Charlie Concannon, the 6-year-old son of C. E. Concannon, residing at 524 Sixth street, while playing with several of his little friends, happened to see Edelson.

The little fellow at first became alarmed but finding that the man was in agony rushed into his home where he informed his mother who in turn informed the police department.

Patrolman Eigerman and Inspector Betts were detailed on the case and finding the man in a critical condition rushed him to the Craven hospital where Dr. U. S. Abbott worked over him for more than two hours before he finally regained consciousness.

Little hope was entertained last evening for the man's recovery, but from a report received at a late hour today he will probably be able to survive the effects of the poison.

Manager Haubricht of the Community Drug store where the poison was purchased, stated last evening that Edelson whose name he learned following the incident had come into his store and asked for ten cents worth of carbolic acid. When informed that the only kind which he could purchase would be ten per cent solution Edelson remarked, "Well, that will be all right," and went out.

Just prior to taking the dose of poison Edelson began to scribble a note in which the thought although very rambling gives the cause of his despondency.

San Francisco, November 6th. The life of a condemned man without a crime. I do so far to be the man who has committed all crimes in the world. I am charged with white slavery which I am not. A white slaver does not work. I have worked all my life for my living. If working for a living I am a criminal. I am a criminal. I am a glazer and have always worked when I could get it that is as long as the trust would let me. Some times the trust would give me work for a little while and then lay me off and I would have to walk from shop to shop. Then I tried to be a glazer for myself.

JOE EDELMEN.

It is the belief of the police that he evidently swallowed the poison while writing the note for he was just about in the middle of his name when the acid commenced to take its hold on him causing him to lapse into unconsciousness.

SANTA FE CO. ESPOUSES CAUSE OF THE BELGIANS

ORDER IS PROMULGATED THAT ALL FOOD STUFFS WILL BE CARRIED TO SAN FRANCISCO FREE OF CHARGE FOR DISTRESSED.

Convinced that it is the duty of the peace-loving Americans to aid the needy Belgians whose homes have been razed and whose farms have been devastated by the invading armies, the Santa Fe Railroad company through its Traffic Manager R. W. Barnham has issued an order that the company's lines carry all food stuffs designated for the relief of the Belgians from any point along its line west of Chicago to San Francisco free of charge. From San Francisco a vessel laden with the necessities and comforts of life will be chartered to go to the relief of the stricken European nation, for which the sympathy of the entire country goes out.

Although neutral as regarded the issues that led up to the present military conflict that has rent Europe from center to circumference, this little defenseless country has been converted into the very vortex of the strife and the signal heroism that has been shown by the Belgians has commended the respect and condemnation of the entire world. The powers that have laid waste her cities and drenched her sod with the gore of the combatants are in no condition to replace the damage that they have done, and with the approach of the winter season, the actual suffering and privation that is staring

BENEFIT FOR WIDOWS AND ORPHANS

This evening a benefit entertainment and dance will be given in the . O. U. W. hall, Sixth street an" Macdonald avenue for the benefit of the Red Cross fund raised for the widows and orphans of the European war.

On account of the profound sympathy that exists in this country for women and children who have been rendered widows and orphans by the cruel war it is expected that the attendance at tonight's benefit will be large and the contributions generous.

The Hermann Sons and Sisters and the Maennor-chor will be hosts at the dancing party, banquet and entertainment.

JUSTICES ARE IN DOUBT AS TO THEIR PAY

Opinion of Placer County District Attorney Stirs Up Unrest in Breasts of Justices in Smaller Towns of County.

Like a thunderbolt from a clear sky has come the opinion expressed by District Attorney A. E. Clark of Placer county to the effect that the candidates who made a long and bitter fight for the office of Justice of the Peace throughout the state will receive no compensation for their services either in the nature of salary or fees, and as a result of this opinion the justices are wondering if their long and arduous labors have not been in vain. Justice Roth of Richmond was called up this afternoon and asked what effect this technicality would have upon him and his reply was that he could not say until he heard from the district attorney at Martinez.

The contention upon which the Auburn attorney bases his argument is that the Legislature failed to pass a law providing for the remuneration of Justices of the peace after an amendment that went into effect in 1911 had deprived them of fees at the end of the term for which those in office had been elected.

As the constitution prevents salary being fixed for them while they are in office, they will receive no remuneration.

It is said that this law will in no wise affect the justices in the larger cities of the state.

MANY TANKERS SALUTE TAMAHA AS SHE LEAVES WITH NEW FLAG

Stars and Stripes Float From Forepeak of "Tamaha" Instead of British Jack as She Leaves for Hong Kong With Oil Shipment.

The latest of the Standard Oil trans-Pacific tankers to have its charter changed is the "Tamaha" which on account of the war has had the British Jack hauled down from its fore peak and the Stars and Stripes run up in its place.

When the "Tamaha" sailed in San Francisco harbor two weeks ago following an exciting trip across the Pacific the marine department of the Standard Oil company decided that their vessel would be much safer with the Stars and Stripes at her masthead than the British Jack .

Today the big white tanker pulled away from her berth at the Long Wharf for Hong Kong with the Stars and Stripes at her masthead she was given a rousing whistle salute by the other tankers at an- [illegible] n the stream.

BREADLESS BELGIANS

There is no doubt about the destitution of the Belgian people, whose crops have been destroyed, whose homes have been burned, and whose occupation is gone.

H. C. Hoover, a Californian, who is chairman of the Belgian relief committee in London, sends a cablegram concerning the situation:

"Over one million people are on the bread line in Belgium at present, with supplies estimated to last from one to three weeks. While we are securing some supplies here for emergency purposes, the real situation can not be met without direct exports from the United States and we shall require upward of twenty thousand tons of foodstuffs monthly. Can you interest the people of California to present a ship load of food from California? If California will give us the foodstuffs we will pay freight and insurance. We should like five portions wheat, three portions beans, two portions peas, with bacon if obtainable. Must be shipped in neutral bottom, consigned to us at Rotterdam. If there is a Belgian relief committee in California it should co-operate. We want food, not clothes, as this is a question of starvation and the Belgians can clothes themselves for the present. I can think of no greater contribution to this occasion of world's stress than a food ship from California and if possible one from Oregon and another from Washington. It might be pointed out that our committee is largely Californian and that we should have the support of our own state."

This is pitiless and pitiful, but relief is also, or should be, on a large scale.

Mr. Rockefeller sends a ship load. That's what he ought to do. Californian ranchers and Californian dealers, out of thousands of tons of surplus, can easily fill a ship, but as we view it, this is not an occasion for small doles.

Santa Cruz once sent a thousand dollars to volcanic sufferers in Sicily. Some said it would be a "good ad." The thousand dollars was lost in transit somewhere and Santa Cruz never so much as got her name in the papers.

While this war lasts the people of this country are going to be "worked" for charitable schemes of all sorts, most of them more or less fraudulent. Charity begins at home and there is generally enough to keep her busy in the immediate neighborhood.

There is nothing much to talk about now except to admonish the people to do their Christmas shopping early, now that election has come and gone. This life is always one thing after another, anyway.

A Democrat 92 years of age has just been elected to the office of district attorney of a Utah county and it is understood that he is laying plans for reelection four years hence. This breaks the record, for the Utah man is said to be the oldest practicing attorney in the United States.

"TRUE FACTS" vs. "CALAMITY WAILS"

California banks are in a stronger position than ever reported in the history of the state. Their business has shown satisfactory gains in the past year and their importance as factors in the development of the state was never more evident, according to the annual report of State Superintendent of Banks W. R. Williams, filed with the Governor Saturday.

In the course of Williams' report this significant paragraph occurs:

"During the fiscal year which ended June 30, 1914, those banks of California that are under the jurisdiction of the State Banking Department enjoyed prosperity. Their resources showed a splendid increase over the great aggregate of the year before. Their banking power was broadened to meet an expanding field of industry and was reflected in a magnificent total of loans and discounts."

Increases Are Shown

These increases to which Williams refers have been:

In resources	$39,404,358.28
In cash on hand	3,614,139.44
In loans	7,019,741.86
In surplus	703,535.44
In deposits	13,635,817.74

Of the aggregate of deposit shown, $575,557,512.10, the amount of $449,221,639.57 was in savings accounts, which, Williams says, is "representative of the prosperity, frugality, thrift and progress of the people of California and brings this state up in those deposits to fourth in the entire United States."

To this may be added the following from a statement made on the same day by a representative of the bond buying firm of Halsey & Co.:

"To the careful buyer who is willing to depend largely on the advice of those who are familiar with the subject, an unusual opportunity is given by present conditions of buying well secured bonds upon a very attractive basis. He does not have to enter the field of the speculator to obtain a profitable return on his investment. If he will merely consider the earning power, management, physical condition, location and prospects of our best California properties and note the prices at which these securities can be purchased in the present market, he will be convinced that certain bonds, the safety of which can not be questioned, can be bought on a better basis than has been possible for a long time past.

Getting under a battleship with a thousand or two unsuspecting sailors aboard with a submarine and blowing them into eternity and soaring over a village with an aeroplane and dropping dynamite on the heads of innocent women and children may be civilized warfare, but we don't believe it. There is no such thing as civilized warfare, but the right of might prevails today the same as it did when old Father Stonehatchet brained his enemies hundreds of thousands of years ago.

There are some who still doubt the election of James D. Phelan to the United States senate from California, but Joseph R. Knowland is not one of them, we are glad to say. He knows Phelan is elected and has said so in print over his signature. Then why lead a forlorn hope?

California is fortunate in some things. True, she has elected Hiram to the office of governor for another four years, but think what might have happened if she had sent Heney to the United States senate. No matter how dark the cloud, there is always a silver rift in it somewhere if you hunt for it.

Mr. C. N. Petersen, dealer in fine boots, shoes and cigars, No. 132 South Main St., Council Bluffs, Iowa, writes:

"I cannot tell you how much good Peruna has done me. Constant confinement in my store began to tell on my health and I felt that I was gradually breaking down.

"I tried several remedies prescribed by my physician, but obtained no permanent relief until I took Peruna. I felt better immediately, and five bottles restored me to complete health. I have been in the best of spirits since, and feel that I owe my health to it."

A THRILL IN ALL SCENES OF THE "WHIP"

"The Whip," the great legitimate Drury Lane melodrama which enjoyed two years' run at the hands of an enthusiastic public on the other side, and a year's stay in New York at the Manhattan Opera House, is just chuck full of thrills. In this sensational melodrama which comes to the Macdonough theatre, Oakland, for one week beginning November 15th, matinees on Wednesday and Saturday, there is a continuous sequence of excitement.

In the first scene the handsome hero is thrown out of an automobile, suffering a compound fracture of the memory.

In the second scene, when he has been nursed to health by Lady Diana, he is unjustly accused of having embraced marriage and the adventuress at one and the same time.

In the third scene Lady Diana assures him that she still believes in him, and advises him to bet his all on the "Whip," the fleetest mare in the Beverley stables.

In the fourth scene the villain, who would like to marry Lady Diana, plans to wreck the train which is bringing the horse to the race course.

In the fifth scene the plot is overheard by a trainer, who is impersonating Dr. Crippen, the murderer, in Mme. Tussaud's Wax Works.

In the sixth scene "The Whip" is brought down and placed in the box car, which is hitched to the rear of the midnight express.

In the seventh scene the villain sneaks down the side of his coach, glides along the side rail to the rear, throws away the signal light and uncouples the box car.

In the eighth scene the trainer reaches the scene of action, just in time, in a high-power automobile, and leads the horse down and across the track.

In the ninth scene the 12:37 express crashes into the box car and there is a dreadful wreck.

In the tenth scene only two men can ride "The Whip," and one of them is arrested through the plotting of the villain.

In the eleventh scene Lady Diana appears to the sporting feeling of the crowd. Are they going to stand by and see injustice done? No! With a rush they brush the sheriff aside and toss the jockey into the saddle.

In the twelfth scene the race is on—twelve horses straining at their bits. The Whip slowly forges ahead and wins by a head.

In the thirteenth scene much is proved and the rest is forgiven. Lady Diana wins her man.

Seats for all performances are on sale now at the theatre.

Trusting to Memory

GOOD telephone service depends vitally upon care in calling telephone numbers. A wrong number called causes loss of time to you, to the party called and to the operator. Every instance means inconvenience to all concerned which is wholly avoidable.

It is not the loss of time to you alone or to the operator that concerns us most, but it is the annoyance to the party called. Your mistake cannot be explained to him, and the Telephone Company is held responsible for your error.

Consulting the current issue of the telephone directory, instead of trusting to memory; giving your number clearly, and quickly correcting the operator if she misunderstands your call, will greatly increase the efficiency of the service.

ELKIES IN FINE FETTLE FOR BIG GAME TOMORROW AT FIRST STREET GROUNDS

As Hiram Johnson led his rivals in the recent electorial battle so will the Richmond Elkies tomorrow afternoon lead the Ambrose Tailors in the second big baseball batle of the season.

With Charley Burns in fighting trim, and with Ingram, Zamlock, Childs and Conger at their best, how can Richmond lose? Coupled with that crack infield combination is that of the outfield including such celebriies as "Cutey" Cunningham, "Ping" Bodie and JimmyRiordan, who spell "Instant Death" to all fly balls.

Billy Luce, the peerless little chaperon of the Elkies estimates that in Charley Burns is combined the speed of Oescheger, the craftiness of "Pop" Arlett and the headwork of Harry Ables.

Burns is without a doubt one of the cleverest little twirlers now in the bushes which is shown by the fact that he never seems rattled and can always come through at the proper time with the necessary stuff to fool the opposing batsmen.

McMullen, the star Oaklander bush league twirler is slated to oppose Burns on the mound and from the way that he performed in the last battle it is believed that the locals will have to keep their batting eyes with them.

Heilman, the Detroit-American player, who is wintering here in Richmond will probably warm the bench for the Elkies and will be shoved into the box should Burns show the least chance of withering before the batting onslaught of the Tailors.

That a large number will be present at the game is evidenced from the fact that nearly 300 ickets have already been disposed of.

SANTA FE CO. ESPOUSES CAUSE OF THE BELGIANS

(Continued from Page 1)

the inhabitants of that country in the face has called upon the enlightened nations of the world for succor, and the call is meeting with most generous response, particularly from the United States and not since the days of the great famine that threatened to depopulate China some years ago has there been such a generous division of the necessities of this world's goods.

Not least in this charitable cause have been the contributions made by California, which not so very many years ago was calling upon its more fortunate sister states for assistance to tide its residents over the confusion and disorder that followed the destruction of its principal city by fire and temblor, and as if anxious to show its keen appreciation of the consideration shown at that time, this state is eager and anxious to make a generous contribution to the sufferers in Belgium.

SEARCHING FOR BODY OF SON IN BAY

O. Olsen of Oakland was in Martinez this morning and engaged a launch from Frank Denio for a cruise on the bay in the vicinity of Bay Point in search of the body of his nephew who was drowned on Thursday when he fell overboard from a lumber schooner.

Ask a man how his neighbors are and he will reply that some of them are crazy.

The most needless worry is that of wives who fear their husbands may be stolen.

A promise of unusually large profits is a sign they won't be collected.

No man's idea of heaven seems to include a great deal of hard work.

is here. A delight and an indispensable aid to those who have already used them. Just six minutes to clean, polish and dry the china, glassware and silver of a dinner for eight people.

No contact with hot water, steam or hot soapy suds. Self-cleansing, sanitary, no pump used Small in size, easily lifted and carried. Strongly built of stamped metal.

Can be purchased on easy payments. Write for our plan.

Sent prepaid, returnable at our expense within ten days, if not exactly as represented.

It has a capacity sufficient to wash at one time all the dishes of the average family, yet is so light and portable that a can be easily moved from place to place.

The movement of the handle forward and backward revolves the propeller in the bottom of the washer, which dashes the hot soapy water with a swirling effect around, through and over all the dishes, forcibly attacking them at all points, and cleansing them with absolute perfection on all sides. The dishes are completely washed in less than one minute's time and the washer works so easily that a child can operate it.

Turning down the small lever at the top of the washer, opens drain valve and discharges the water in a few seconds. The dishes are then rinsed and sterilized by pouring a dishpan of clear boiling water through the lid and turning the handle about thirty seconds. The rinsing operation automatically cleans the washer itself, which always remains in an absolutely sanitary condition

HOW THE VARIOUS AMENDMENTS WENT AT RECENT ELECTIONS

Returns on the constitutional amendments and on the initiative and referendum propositions are coming in so slowly that on eight of these the result last night was still in doubt. Among the important measures still doubtful are the "blue sky law," No. 5 on the ballot, the water commission act, which was No. 6, and the minimum wage proposition. On the face of the returns the minimum wage has carried.

All of the bond proposals have been adopted. These include:

The university bond, $1,800,000.

The state building bonds, for Sacramento, $3,000,000.

The San Francisco state building.

The Los Angeles state building.

The state fair bonds.

A majority only is necessary to carry these bonds, according to articles IV and XVI of the constitution.

Bonds Carried by Majority.

Attorney General Webb confirms the fact that a majority and not necessarily a two-thirds vote is required to carry state bonds, the same opinion being given by Warren Olney, Jr., attorney for the university regents. Both quote article IV, section 1, of the constitution, which says: "Any act, law or amendment to the constitution submitted to the people by either initiative or referendum petition, and approved by a majority of the votes cast thereon at any election shall take effect five days after the date of the official declaration of the vote by the Secretary of State."

This applies to those bond issues that went on the ticket by the initiative. A majority only is required by those that originate in the Legislature in accordance with article XVI, section 1, of the constitution, which after defining purposes for which bond issues may be made and the expenditure of money, says: "But no such law shall take effect until at a general election, it shall have been submitted to the people and shall have received a majority of all the votes cast for and against it at such election."

Red Light Bill Passes.

The red light abatement law was sustained by the voters, chiefly on account of the tremendous majority cast in its favor in Los Angeles county.

According to latest tabulations on the principal measures the vote stands:

University bonds (1,612 precincts out of 4,585 in state):
For 198,155
Against 119,914

Sacramento building bonds, $3,000,000 (1,365 precincts):
For 161,492
Against 102,187

State fair fair bonds (949 precincts):
For 101,769
Against 61,050

San Francisco building (1,365 precincts):
For 173,758
Against 92,940

Los Angeles building bonds, $1,250,000 (1,365 precincts):
For 196,274
Against 113,519

San Francisco harbor:
For 173,369
Against 59,782

This includes the vote of San Francisco, Alameda and Los Angeles counties only.

Poll tax (1321 precincts):
To abolish 151,609
To continue 104,104

Non-sale of game (1447 precincts)
For stopping sale 99,731
To allow sale 127,547

Minimum wage act (1430 precincts):
For the act 150,398
Against the act 116,141

OLD-TIME COLD CURE—DRINK HOT TEA!

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS

It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia.

Limber up! Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

D. W. M'LAUGHLIN SINGS PAENS IN FAVOR OF SENATOR REED SMOOT

RICHMOND PROMOTER WRITES FROM SALT LAKE CITY CONCERNING HIS PROJECT OF MOVING CONGRESS TO CALIFORNIA IN 1915.

F. J. Hulaniski, publisher of the "Thinkograph" is in receipt of a letter from D. W. McLaughlin, the well known Richmond promoter who recently left for Salt Lake City to meet Congressman Curry who was on his way from Washington to Richmond to deliver an address before the final Republican rally which was held here prior to the election. The letter bears date of November 2nd and reads as follows:

"November 2, 1914.

"Col. F. J. Hulaniski,
"Editor "Thinkograph,"
"Richmond, Cal.

"My Dear Hulaniski:—I would like very much if you would send me a number of Thinkographs, as I want to introduce them here in Salt Lake, as I have met quite a number of your old Colorado friends.

"I met Gov. Spry and Col. Loose who started the camp at Boda; perhaps you are acquainted with both gentlemen. I missed Congressman Curry by just a few hours. If you remember, I wired him from San Francisco to meet me here in Salt Lake at Hotel Utah, but I missed him as he took the midnight train for San Francisco, expecting to get there in time to make a speech at Dreamland Rink, one at Sacramento and one at Richmond. My object of course in meeting our friend Charles was to give him the line up.

"I have been making an effort here to have Senator Smoot returned to the U. S. Senate as I want to organize the western representatives, or all the powers that the West of the Rocky Mountains to work in favor of the interests West of the vertebra of the United States which is the Rocky Mountains. If you remember in all my speeches in the west, I refer to this part of the United States as the Great Western Empire and I feel satisfied of the fact that we will have to have a better organization than we have at the present time, to carry out the work no wunder way on the Pacific coast.

"As you know we will have to have a good working committee in Congress and Senate, in order to get our inner-harbor bill through.

"Inclosed please find clippings from the Salt Lake papers. Inasmuch as you are a Democrat, I presume that you will either shoot me in the heel at sunrise or sentence me to serve in the Kaiser's army, for working so hard in favor of the Republican representatives. But you know that I always take a chance. I have spoken to a great many influential people about moving the Senate, Congress, Cabinet and perhaps the President of the United States to the Panama Exposition during the exposition year and every one I have spoken to is very much in favor of it and say it will be the most colossal piece of advertising that has ever been attempted by any state. My intention is to route them through Chicago, Omaha, Salt Lake, San Francisco, the watering resorts in California, Los Angeles, San Diego and back by way of the Panama canal; in that way they can see the immense expanse of the United States instead of looking at it through a keyhole as they do now.

"If you write soon, I will receive it here at Hotel Utah. Would be very much pleased to hear from you and trust that you are getting along well with the new corporation and also your exhibit in the Lick building.

"Trusting to hear from you soon, and with kind regards, I remain.

"Yours respectfully,
"D. W. McLAUGHLIN."

The newspaper clipping referred to in the letter is an excerpt from the Herald-Republican of Salt Lake City in which two columns of space is devoted to the extolling of the virtues of United States Senator Reed Smoot, which appears under the title of "Senator Smoot, Utah's Most Able Statesman."

OIL TREATMENT FOR STOMACH TROUBLES

A simple prescription made up of a combination of pure vegetable oils is producing wonderful results for sufferers from stomach, liver and intestinal troubles. The remedy, which is said to have originated in France, where it has been used for years by the peasantry, was introduced into this country by George H. Mayr, a leading Chicago druggist, who cured himself of severe stomach, liver and intestinal troubles by its use. Those who have used it say the first dose is sufficient to convince any one of its remarkable merit, and that within twenty-four hours the sufferer feels like a new person. This medicine, which has become known as Mayr's Wonderful Stomach Remedy, is now sold by first class druggists everywhere. It is now sold here by all druggists. advt.

A Testimonial Worth Reading

Oakland Cal., Feb. 19, 1914.

Dear Sir: I have been suffering from stomach trouble and bronchitis for three years. I was treated by many physicians and surgeons in San Francisco and Oakland and had spent much money and time on doctors and medicine but had received no relief. At last I applied to you. Through your skillful diagnosis after two months' herb treatment I was entirely cured. I have gained ten pounds already and feel like a new person. I consider you a very good doctor.

Gratefully yours,
GEORGE S. TAYLOR,
317 6th St., Oakland, Cal.

Berkeley Cal., Nov. 28, 1913.

To the Public: I recommend that Dr. Watson's wonderful Chinese Herb Treatment can positively cure female complaint of all kinds. I have suffered with rheumatism for over ten years, which is very painful for me all over the whole body. I also had female complaint that is common to women.

For many years I had taken medical treatments, with numerous doctors and also other remedies for my suffering and relief. I found no relief, but fortunately I was introduced to Dr. Watson for his Chinese Herb Treatment. He diagnosed my sickness. With five weeks' of his treatment I was entirely cured.

"My back pained me so at night that I had to walk the floor," says Mrs. Ethel C. Powers, of 240 Third St., Richmond. "I had blinding dizzy spells and headaches in the back and top of my head. Circles appeared under my eyes and I had no appetite whatever. In less than two weeks I fell off in weight from one hundred and thirty-six pounds to one hundred and eleven. A doctor said I had Bright's disease. It was at this time that I began using Doan's Kidney Pills. The kidney secretions became natural and I had no more pains across my back. I regained all of my lost weight. Four boxes of Doan's Kidney Pills accomplished this wonderful cure."
